An Open Invite to the LegaSea Tauranga Launch Evening

LegaSea is a progressive, inspiring and committed team of professionals and volunteers whose only goal is to see more fish in the ocean for future generations. Forged during the turmoil of the Kahawai Legal Challenge (2006-2009), this team of passionate fishermen and women have come together under the umbrella of New Zealand Sport Fishing Council and are now working tirelessly on behalf of all recreational fishermen around the country.

LegaSea has recognised the immense value of the marine industry to the Bay of Plenty region. Not only are there tackle shops, but there is everything from diesel mechanics to boat builders who all supply a range of products and services to the recreational fisherman. We would like to invite everyone who has a vested interest in fishing to attend the LegaSea Tauranga Launch Evening. This is to be held at 5.30pm on Wednesday the 14th of November at the Tauranga Sport Fishing Club, 66 Keith Allen Drive, Sulphur Point Marina, Tauranga.

This event has been organized as an introduction to LegaSea for business and interested individuals. If you value your fishing opportunities in New Zealand, then LegaSea is an opportunity for you to help protect those rights. LegaSea is a fundraising initiative by the New Zealand Sport Fishing Council that seeks to inspire the public to stand up for their rights and interests in the marine environment.

LegaSea's vision is 'more fish in the water for future generations'. At a local level this means having more and bigger fish in the places we normally fish; the ability to conserve fish for our kids; and to have those fish living in a thriving marine ecosystem.

We are confident that you will be impressed with the potential of LegaSea, to both inspire the public and deliver benefits to our local community.

For the launch, the Club will be open from 5pm and the formalities will begin at 5.30pm. On completion of the event, LegaSea Crew will be on deck to engage with you, and we welcome all to enjoy a relaxed drink or meal with us in these magnificent clubrooms.

END.
